

About the Company

Founded in 2007, Beautiful Habitat is an award-winning, interior design firm dedicated to the belief that your home should be more than just a physical dwelling. It should provide a deep sense of comfort, support, and joy. We create fresh, timeless interior designs that are reflection of our clients; helping clients *live better* in their homes. We create lifelong client relationships through excellent client service and a true appreciation of clients as individuals.

We create Beautiful Habitats.

Senior Designer

We are seeking an Experienced Interior Designer to join the team and hit the ground running. The Senior Designer has demonstrated skills and experience to be 100% accountable for most aspects of their projects including supervision of junior team members. The Designer will work in tandem with the Principal Designer and the Design Team on a variety of residential projects from start to finish.

This is a client-facing, Denver-based, but remote position, meaning that majority of work will be from home, but does require in-person client, contractor/trade meetings, and showroom visits for sourcing and sample returns in the Denver-metro area.

Design Responsibilities

- Design second to the Principal Designer, oversight of junior team members
 - SketchUp/drawings oversight
 - Presentations oversight
 - Product and Pricing entry oversight
 - Project specifications, documentation and updates oversight
- Create Kitchen, Bathroom and other technical design plans in SketchUp
- Design Concept/Design Plan Directions Second to Principal
- Client Meeting Second to Principal

Project Management Lead

The Senior Designer is responsible for the Project Management and Execution Phases of all projects, including performing or overseeing the following tasks.

- Procurement/Expediting Lead
 - Scheduling Product Deliveries
 - Receiving and Verifying the receipt and quality of all delivered products
 - Deficiencies Oversight
 - Weekly Project Updates to client(s) for active projects oversight
- Project construction and installation management lead
 - Create and/or approve all construction or installation documents
 - Pre-construction meeting lead
 - Lead installation scheduling and coordination
 - Primary contact for client, contractors, installers

This job is currently part time with the potential to grow into a full-time position. Salary will be aligned with level of experience.

Skills Required

The right candidate must have a dedicated home office space with high speed internet for the ability to work from home in a professional and quality environment. The right candidate must have a reliable car to travel to client homes throughout Denver.

- A minimum 8 years of experience at a Residential Interior Design firm, or Kitchen & Bath showroom.
- Proficient in SketchUp and Layout
- Portfolio of work demonstrating skills and past work experience
- Previous client/customer service experience

Additional Skills Desired

- Experience with Studio Designer
- Experience with 2020 Kitchen Design software

Personal Qualities and Soft Skills

- Detail oriented, organized and methodical
- A self-starter
- Can work independently, in a team environment
- Problem solving
- Able to demonstrate a history of follow through skills
- Must be driven and passionate about achieving excellence in your work

*Don't meet every single requirement? Studies have shown that women and people of color are less likely to apply to jobs unless they meet every single qualification. At Beautiful Habitat we are dedicated to building a diverse, inclusive and authentic workplace, so if you're excited about this role but your past experience doesn't align perfectly with every qualification in the job description, we encourage you to apply. You may be just the right candidate for this or other roles.

How to Apply

Send your resume and portfolio to info@beautifulhabitat.com. While we don't require a formal cover letter, please tell us what most speaks to you about this job opportunity.
